Pre-existing Medical Conditions

You may not be automatically covered for pre-existing medical conditions. Please see pages 18-23 of the PDS.

1. For all your pre-existing medical conditions, do you meet all the requirements under 'Is your condition automatically covered?' on page 19 of the PDS, and do all your conditions meet all the requirements in the 'Automatically covered conditions' list on page 20 of the PDS? Yes No

If you have answered yes to this question, the condition/s are automatically covered and no additional premium or action is required; however:

- a) If any of your pre-existing medical conditions do not meet the requirements for 'automatically covered conditions', you will need to be medically assessed to determine if cover is available for any of your pre-existing medical conditions.
- b) If any of your medical conditions are in the list of 'Specifically excluded conditions' on page 21 of the PDS, you will not be covered for any pre-existing medical condition. You will need to be medically assessed to determine if cover is available for any of your other pre-existing medical conditions.

Please refer to 'I need an assessment. What do I do next?' on page 21 of the PDS. Please note that the Budget and Necessities Plans only provide cover when all pre-existing medical conditions meet the requirements for automatic cover detailed on pages 19-20 of the PDS. Cover for pre-existing medical conditions which are not automatically covered may be available under the Comprehensive, Single plan or Annual Frequent Traveller plan following a medical assessment.

Medical assessments are only available when you are in Australia. In some situations, medical assessments are also available whilst overseas if you hold an active policy. It is recommended that you let us know as early as possible (at least 2 weeks) before policy expiry that a medical assessment is desired. If no active policy is held with us, medical assessments can only be purchased when you are in Australia.

2. Do you require a medical assessment? Yes No
(If yes, EA Insurance will contact you for further information before you have a medical assessment.)
